Independent Auditor's Report To the Shareholders of HDFC PLC.

Report on the Audit of the Consolidated and Separate Financial Statements

Opinion

We have audited the consolidated financial statements of IIDFC PLC. and its subsidiaries (the "Group") as well as the separate financial statements of IIDFC PLC. (the "Company"), which comprise the consolidated and separate balance sheets as at 31 December 2024 and the consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Company give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Company as at 31 December 2024, and of its consolidated and separate financial performance and it's consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note # 2.0.

Emphasis of Matter

The company is facing liquidity crisis which restricts the company business expansion and consequently incurring operating losses and equity has turned to negative as follows.

Particulars	Taka
Shareholders' Equity for IIDFC - Stand alone	(5,404,200,669)
Shareholders' Equity for IIDFC - Consolidated	(5,334,504,370)

It is required to inject fresh funds otherwise it would be challenging to continue the business activity of IIDFC as going concern.

Our opinion is not modified in respect of these matters.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC) and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated and separate financial statements for the year 2024. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Measurement of Provision for Loans and Advances

Risk

The process for estimating the provision for loans and advances portfolio associated with credit risk is significant and complex.

For the individual analysis, these provisions consider the estimates of future business performance and the market value of collateral provided for credit transactions.

For the collective analysis, these provisions are manually processed that deals with voluminous databases, assumptions and calculations for the provision estimates of complex design and implementation.

At year end the Company reported total gross loans and advances of TK. 8,712,497,438 (2023: TK. 10,026,448,002) and provision for loans and advances and others of Tk. 4,902,882,945 (2023: Tk. 4,419,268,522).

Our response to the risk

We tested the design and operating effectiveness of key controls focusing on the following:

- Tested the credit appraisal, loan disbursement procedures, monitoring and provisioning process;
- Identification of loss events, including early warning and default warning indicators;
- Reviewed quarterly classification of loans(CL);
 Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following:
 - Reviewed the adequacy of the company's general and specific provisions;
 - Assessed the methodologies on which the provision amounts based, recalculated the provisions and tested the completeness and accuracy of the underlying information;
 - Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

Legal and Regulatory Matters

Risk

We focused on this area because the Company and its subsidiaries (the "Group") operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many

Uncertainties and the outcome may be difficult to predict.

These uncertainties inherently affect the amount and timing of potential outflows with respect to the provisions which have been established and other contingent liabilities.

Overall, the legal provision represents the Group's best estimate for existing legal matters that have a probable and estimable impact on the Group's financial position.

Our response to the risk

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Group's key controls over the legal provision and contingencies process.

We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters.

We enquired of the Group's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports. We also received formal confirmations from external counsel.

We assessed the methodologies on which the provision amounts are based, recalculated the provisions, and tested the completeness and accuracy of the underlying information.

We also assessed the Group's provisions and contingent liabilities disclosure.

IT Systems and Controls Risk Our response to the risk Our audit procedures have a focus on IT systems We tested the design and operating effectiveness and controls due to the pervasive nature and of the Group's IT access controls over the complexity of the IT environment, the large information systems that are critical to financial volume of transactions processed in numerous reporting. We tested IT general controls (logical locations daily and the reliance on automated and access, changes management and aspects of IT IT dependent manual controls. operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized. We tested the Group's Our areas of audit focus included user access periodic review of access rights. management, developer access to the production environment and changes to the IT environment. We inspected requests of changes to systems for These are key to ensuring IT dependent and appropriate approval and authorization. We application based controls are operating considered the control environment relating to effectively. various interfaces, configuration and other application layer controls identified as key to our

audit.

Where deficiencies were identified, we tested compensating controls or performed alternate procedures. In addition, we understood where relevant, changes were made to the IT landscape during the audit period and tested those changes thathad a significant impact on financial reporting.

Other Information

Management is responsible for the other information. The other information comprises all of the information included in the Annual Report other than the consolidated and separate financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Company in accordance with IFRSs as explained in note 02, and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial
 statements, whether due to fraud or error, design and perform audit procedures responsive to
 those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our
 opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for
 one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists. We are required to draw attention in our auditors' report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities
 or business activities within the Group to express an opinion on the consolidated financial
 statements. We are responsible for the direction, supervision and performance of the group
 audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweighthe public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994, the Securities and Exchange Rules, 2020, the Finance Company Act, 2023 and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) In our opinion, Proper books of accounts as required by law have been kept by the Company so far as it appeared from our examination of those books;
- (iii) The consolidated balance sheet and consolidated profit and loss account together with the annexed notes dealt with by the report are in agreement with the books of account and returns;
- (iv) The expenditures incurred were for the purpose of the Company's business for the year;
- (v) The financial statement of the company have been drawn up in conformity with the Finance Company Act, 2023 and in accordance with the accounting rules and regulations which were issued by Bangladesh Bank to the extent applicable to the company;
- (vi) Adequate provisions have been made for loans, advances, leases, investment and other assets which are in our opinion, doubtful of recovery and Bangladesh Bank's instructions in this regard have been followed properly;
- (vii) The financial statement of the company conform to the prescribed standards set in the accounting regulations which were issued by Bangladesh Bank after consultation with the professional accounting bodies of Bangladesh;
- (viii) The records and statements which were submitted by the branches have been properly maintained and recorded in the financial statements;
- (ix) Statement sent to Bangladesh Bank have been checked on sample basis and no inaccuracy has come to our attention;
- (x) Taxes and other duties were collected and deposited in the Government treasury by the company as per Government instructions found satisfactory based on test checking;
- (xi) Nothing has come to our attention that the company has adopted any unethical means i.e., 'window dressing' to inflate the profit and mismatch between the maturity of assets and liabilities;

Dhaka

- (xii) Proper measures have been taken to eliminate the irregularities mentioned in the inspection report of Bangladesh Bank and the instructions which were issued by Bangladesh Bank and other regulatory authorities have been complied properly as disclosed to us by management;
- (xiii) Based on our work as mentioned above under the auditor's responsibility section, the internal control and the compliance of the company is satisfactory, and effective measures have been taken to prevent possible material fraud, forgery and internal policies are being followed appropriately;
- (xiv) The company has complied with relevant laws pertaining to capital, reserve and net worth, cash and liquid assets and procedure for sanctioning and disbursing loans/leases found satisfactory;
- (xv) We have reviewed over 80% of the risk weighted assets of the company and we have spent around 1,144 person hours for the audit of the books and accounts of the company;
- (xvi) The company has complied with relevant instructions which were issued by Bangladesh Bank relevant to classification, provisioning and calculation of interest suspense;
- (xvii) The company has complied with the Finance Company Act, 2023 in preparing these financial statements; and
- (xviii) All other issues which in our opinion are important for the stakeholders of the company have been adequately disclosed in the audit report.

The Financial Statements have been prepared on the basis of going concern concept and basically on accrual method under historical cost convention in accordance with Generally Accepted Accounting Principles (GAAP) and after due compliance with International Accounting Standards(IAS)/International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB) and adopted by The Institute of Chartered Accountants of Bangladesh (ICAB) vide letter no 1/1/ICAB-2017 dated 14 December 2017, the Finance Companay Act, 2023, the Companies Act, 1994 and other applicable laws and regulations.

Statement of compliance

The consolidated financial statements and separate financial statements of the Company have been prepared on a going concern basis following accrual basis of accounting except for cash flow statement and investment in marketable securities which are recorded in cost price(Comparing with market value) in accordance with International Accounting Standards (IAS) and International Financial Reporting Standards (IFRSs) as adopted in Bangladesh by the Institute of Chartered Accountants of Bangladesh, except the circumstances where local regulations differ, and the Companies Act, 1994, the Finance Company Act, 2023, Bangladesh Securities and Exchange Commission guidelines and other applicable laws and regulations.

The presentation of the financial statements has been made as per the requirements of DFIM Circular No: 11, dated 23 December 2009 issued by the Department of Financial Institutions and Markets (DFIM) of Bangladesh Bank. The activities and accounting heads mentioned in the prescribed form, which are not applicable for the financial institutions, have been kept blank in the financial statements.

The requirements of accounting standards as per IFRS that have been departed to comply with Bangladesh Bank requirements have been disclosed in detail. However, this departure with IFRS has been made by following all of the relevant provisions of IAS-1 and the details disclosures are given in Note-2.01.01 by following the provision of IAS-1 (Presentation of Financial Statements).

2.01.01 Disclosure of departure from few requirements of IFRS due to mandatory compliance of Bangladesh Bank's

SL.	Nature of Departure	Title of IFRS	Treatment of IFRS	Treatment Adopted as per Bangladesh Bank	Financial or Presentation Effect of the Departure
1	Measurement of provision for leases, loans and advances (financial assets measured at amortized cost)	IFRS 9 Financial Instruments	An entity shall assess at the end of each reporting period whether there is any objective evidence that a financial asset or group of financial assets measured at amortized cost is impaired. If any such evidence exists, expected credit losses are required to be measured through a loss allowance at an amount equal to: a) the 12-month expected credit losses (expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or b) full lifetime expected credit losses (expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).	As per FID circular No. 08, dated 03 August 2002, FID circular No. 03, dated 03 May 2006 and FID circular No. 03, dated 29 April 2013, DFIM circular No. 04, dated 26 July 2021 a general provision at 0.25% to 5% under different categories of unclassified loans (good/standard loans) has to be maintained irrespective of objective evidence of impairment on lease, loans and advances. Also provision for substandard investments, doubtful investments and bad losses has to be provided at 20%, 50% and 100% respectively for investments depending on the duration of overdue.	In Financial Statements, as at 31 December 2024, accumulated provision for leases, loans and advances stand at BDT 3,644.85 million
2	Valuation of Investments in quoted and unquoted shares	IFRS 9 Financial Instruments	Investment in shares falls either under at "fair value through profit/ loss (FVTPL)" or "fair value through other comprehensive income (FVTOCI)" where any change in the fair value in case of FVTPL at the year end is taken to profit or loss, and any change in fair value in case of FVTOCI is taken to other comprehensive income.		During this year total market value of all shares are less than the cost price of all shares In Financial Statement as at 31 December 2024, Provision for diminution in value of investments stands BDT 201.43 million.
3	Recognition of interest income for SMA and classified lease, loans and advances	IFRS 9 Financial Instruments	Income from financial assets measured at amortized cost is recognized through effective interest rate method over the term of the investment. Once a financial asset is impaired, investment income is recognized in profit and loss account on the same basis based on revised carrying amount.	As per FID circular No. 03, dated 03 May 2006, DFIM circular No. 04, dated 26 July 2021, once an investment on leases, loans and advances is termed as "Special Mention Account (SMA)", interest income from such investments are not allowed to be recognized as income, rather the respective amount needs to be credited as a liability account like: interest suspense account.	As at 31 December 2024, in Financial Statements interest suspense account was BDT 1,612.56 million whereas last year was Taka 982.33 million. This amount has been shown in other liabilities

4	Presentation of cash and cash equivalent	IAS 7 Statement of Cash Flows	Cash equivalent are short term, highly liquid investments that are readily convertible to known amounts of cash and only include those investments which are for a short tenure like: 3 months or less period. In the light of above, balance with Bangladesh Bank and fixed term deposits should be treated as investment asset rather than cash equivalent as it is illiquid asset and not available for use in day to day operations.	Bangladesh Bank has issued templates for financial statements vide DFIM Circular No. 11, dated 23 December 2009 which will strictly be followed by all banks and NBFIs. The templates of financial statements provided detail presentation for statement of cash flows.	Financial Statements for 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11, dated 23 December 2009) of Bangladesh Bank.
5	Measurement of deferred tax asset	IAS 12 Income Tax	A deferred tax asset shall be recognized for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized.	As per DFIM circular No. 7, dated 31 July 2011, no deferred tax asset can be recognized for any deductible temporary difference against lease, loans and advances.	During this year there is no impact in the financial statements due to this departure at the Company did not consider any deductib temporary difference against leases, loans and advances.
6	Presentation and disclosure of Financial Statements and Financial Instruments	IAS 1 "Presentation of Financial Statements" IFRS 9 "Financial Instruments" & IFRS 7 "Financial Instruments: Disclosure"	Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income statement. IAS 1 requires separate line item for intangible assets on the face of statement of financial position. IFRS 7 requires specific presentation and disclosure relating to all financial instruments.		Financial Statements 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11, dated 23 December 2009) of Bangladesh Bank.

7	Preparation of Statement of Cash Flows	IAS 7 Statement of Cash Flows	The Cash flow statement can be prepared using either the direct method or the indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.	As per DFIM Circular No. 11, dated 23 December 2009, Cash flow statement has been guided by the Bangladesh Bank which is the mixture of direct and indirect method.	Financial Statements of 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11 dated 23 December 2009) of Bangladesh Bank.
8	Current/Non- current distinction	IAS-1 Presentation of Financial Statement	As per Para 60 of IAS-1 "Presentation of Financial statement" An entity shall present current and non-current assets and current and non-current liabilities as separate classification in its statement of financial position.	As per DFIM Circular No. 11, dated 23 December 2009, Bangladesh Bank has issued templates for financial statements which is applicable for all the Financial Institutions. In this templates there is no current and non-current segmentation of assets and liabilities.	Financial Statements of 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11, dated 23 December 2009) of Bangladesh Bank. Moreover, the liquidity statement shows the aging profile of all financial assets and liabilities from where current/non-current portion of assets and liabilities can be obtained.
9	Off-balance sheet items	IAS 1 Presentation of Financial Statements	There is no concept of off- balance sheet items in any IFRS; hence there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.	As per DFIM Circular No. 11, dated 23 December 2009, off- balance sheet items (e.g. letter of credit, letter of guarantee etc.) must be disclosed separately on the face of the balance sheet.	Financial Statements of 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11, dated 23 December 2009) of Bangladesh Bank.
10	Impairment of Margin Loan (Loans and receivables	IFRS 9 Financial Instruments	Measurement after initial recognition at amortized cost and recording of changes through profit and loss.	As per Bangladesh Securities and Exchange Commission (BSEC) Circular No. SEC/CMRRCD/2009- 193/196 dated 28 December 2016, provisions for the year 2016 on impairment of principal portion of margin loan may be kept at 20% on each quarter for the five quarters starting from December 2016.	There is no such impact for this. However, we have been maintaining provision for unrealized loss (if any) of margin loan in the portfolio at higher rate than the requirement.
11	Complete set of financial statements	IAS 1 Presentation of Financial Statements	As per IAS 1: "Presentation of Financial Statements'' complete set of financial statements are i) statement of financial position, ii)statement of profit or loss and other comprehensive income, iii) statement of changes in equity, iv) statement of cash flows, v) notes, comprising significant accounting policies and other explanatory information and vi) statement of financial position at the beginning of preceding period for retrospective restatement.		Financial Statements of 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11, dated 23 December 2009) of Bangladesh Bank. There is no financial impact for this departure in the financial statements.

	12	Intangible asset	IAS 1 Presentation of Financial Statements	As per IAS 1: "Presentation of Financial Statements" para 54: the statement of financial position shall include separate line item for intangible assets.	As per DFIM Circular No. 11, dated 23 December 2009, there is no option for separate line item for intangible asset in the balance sheet. However, we present intangible asset in the balance sheet as part of fixed assets and provide details in annexure-A as separate line item.	Financial Statements for 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11, dated 23 December 2009) of Bangladesh Bank. There is no financial impact for this departure in the financial statements.
Time	13	Other comprehensive income	IAS 1 Presentation of Financial Statements	As per IAS 1: "Presentation of Financial Statements" Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single OCI statement.	include Other Comprehensive Income (OCI) nor are the	Financial Statements of 2024 and corresponding year 2023 have been prepared as per the guideline and templates issued by Bangladesh Bank. There is no financial impact for this departure in the financial statements.
	14	Disclosure of presentation of profit	N/A	There is no requirement to show appropriation of profit in the face of statement of comprehensive income.	As per DFIM circular no 11, dated 23 December 2009, an appropriation of profit should be disclosed in the face of profit and loss account.	Financial Statements of 2024 and corresponding year 2023 have been prepared as per guideline (DFIM Circular No. 11, dated 23 December 2009) of Bangladesh Bank. There is no financial impact for this departure in the financial statements.

2.01.02 Investments in shares and securities

As per requirements of IFRS-9 'Financial Instruments: Recognition and Measurement' investments in shares and securities generally falls either under "Amortised cost", "at fair value through Profit and Loss Account" or under "FVOCI (Fair Value through Other Comprehensive Income)" where any change in the fair value at the year-end is taken to Profit and Loss Account or Revaluation Reserve Account respectively.

Bangladesh Bank:

As per FID circular No. 08 dated 03 August 2002 & DFIM circular No. 02 dated 31 January 2012 of Bangladesh Bank ilnvestment in marketable ordinary shares has been shown at cost, on an aggregate portfolio basis. Investment in non-marketable shares also has been valued at cost Provision should be made for any loss arising from diminution in value of investments.

Relevant disclosure on departure has been presented in the note -2.01.01(2)

2.01.03 Provision on loans and advances

As per IFRS-9 'Financial Instruments' an entity should start the impairment assessment by considering whether objective evidence of impairment exists for financial assets that are individually significant. For financial assets which are not individually significant, the assessment can be performed on an individual or collective (portfolio) basis.

Bangladesh Bank:

As per FID circular No. 08 dated 03 August 2002, FID circular No. 03, dated 03 May 2006 and FID circular No. 03, dated 29 April 2013, DFIM circular No. 04 dated 26 July 2021 and DFIM circular No. 37 dated 04 December 2024 a general provision at 0.25% to 5% under different categories of unclassified loans (good/standard loans/special mention account) has to be maintained.

Relevant disclosure on departure has been presented in the note -2.01.01(1)

2.01.04 Financial instruments - presentation and disclosure

In several cases Bangladesh Bank guidelines categories, recognize, measure and present financial instruments differently from those prescribed in IFR-9. As such some disclosure and presentation requirements of IFRS 7 Financial Instruments: Disclosures' cannot be made in the accounts.

Relevant disclosure on departure has been presented in the note -2.01.01(6)

2.01.05 Financial guarantees

As per IFRS-9 financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognized initially at their fair value, and the initial fair value is amortized over the life of the financial guarantee. The financial guarantee liability is subsequently carried at the higher of this amortized amount and the present value of any expected payment when a payment under the guarantee has become probable. Financial guarantees are included within other liabilities.

Bangladesh Bank

As per the requirements of DFIM circular No. 11 dated 23 December 2009, financial guarantees such as L/C, L/G will be treated as off balance sheet items. No liability is recognized for the guarantee except the cash margin.

2.01.06 Cash and cash equivalents

Cash and cash equivalents items should be reported as cash item as per IAS 7 'Statement of Cash Flows'.

Bangladesh Bank:

Some cash and cash equivalent items such as 'money at call and on short notice', T-bills, Prize bond are not shown as cash and cash equivalent. Money at call and on short notice is shown as face item in statement of financial position (Balance sheet) and T-bills, Prize bonds are shown in Investment.

2.01.07 Non-Banking assets

As per the requirements of DFIM circular No. 11 dated 23 December 2009, non-banking assets generally arises from non-payment of receivables (claims) by/from clients which is to be presented separately mentioning the holding period of each types of asset. Presented value of non banking assets will not be more than market price of them and income generating non banking assets will have to be presented separately in the Financial Statements.

2.01.08 Statement of cash flows

Statement of cash flows can be prepared either in "Direct Method" or "Indirect Method". The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank:

As per the requirements of DFIM circular No. 11 dated 23 December 2009, statement of cash flows is a mixture of direct and indirect method.

2.01.09 Balance with Bangladesh Bank (CRR)

Balance with Bangladesh Bank should be treated as other assets as it is not available for use in day to day operations as per IAS 7.

Bangladesh Bank:

Balance with Bangladesh Bank is treated as cash and cash equivalents.

2.01.10 Off-balance sheet items

There is no concept of off balance sheet items in any IFRS; hence there is no requirement of disclosure relating to such items.

Bangladesh Bank:

As per the requirements of DFIM circular No. 11 dated 23 December 2009, off balance sheet items e.g. L/C, L/G must be disclosed separately in the face of the statement financial position (balance sheet).

2.01.11 Disclosure of appropriation of profit

There is no requirement to show appropriation of profit in the face of the statement of comprehensive income.

Bangladesh Bank:

As per the requirements of DFIM circular No. 11 dated 23 December 2009, an appropriation of profit should be disclosed in the face of statement of comprehensive income.

2.01.12 Other comprehensive income

As per IAS 1 'Presentation of Financial Statements', Other Comprehensive Income is a component of financial statements or the elements of Other Comprehensive Income are to be included in a separate Other Comprehensive Income (OCI) Statement.

Bangladesh Bank:

Bangladesh Bank has issued templates for financial statements which will strictly be followed by all financial institutions. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income; and the elements of Other Comprehensive Income are also not allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the company does not prepare the Other Statement of Comprehensive Income. However elements of OCI, if any, are shown in the statement of changes in equity.

Relevant disclosure on departure has been presented in the note -2.01.01(13)

2.01.13 Loans and advance net of provision

Loans and advances should be presented as net of provisions.

Bangladesh Bank:

As per the requirements of DFIM circular No. 11 dated 23 December 2009, provision on loans and advances are presented separately as liability and cannot be netted off against loans and advances.

[Also refer to Note-2.17 Compliance of International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs)]

Relevant disclosure on departure has been presented in the note -2.01.01(1)

2.02 Basis of consolidation

The financial statements of the company and its subsidiaries have been consolidated in accordance with International Financial Reporting Standards 10 'Consolidated Financial Statements'.

All intra-group balances, transactions, income and expenses are eliminated in full.

Subsidiaries are fully consolidated from the date on which control is transferred to the company. Control is achieved where the Company has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

The total profits of the company and its subsidiaries are shown in the consolidated Profit and Loss Account with the proportion of profit after taxation pertaining to minority shareholders being deducted as Non-controlling interest.

All Assets and Liabilities of the company and its subsidiaries are shown in the consolidated Balance Sheet. The interest of non-controlling shareholder of the subsidiaries are shown separately in the consolidated Balance Sheet under the heading Non-controlling interest.

2.03 Integral components of financial statements

The Financial Statements of the Company comprise of (As per DFIM Circular No. 11 dated 23 December 2009) the following components:

- 1. Consolidated and Separated Balance Sheet as at December 31, 2024;
- 2. Consolidated and Separated Profit and Loss A/C for the year ended December31, 2024;
- 3. Consolidated and Separated statement of Cash Flows for the year ended December 31, 2024;
- 4. Consolidated and Separated Statement of Changes in Equity for the year ended December31, 2024;
- 5. Liquidity Statement as at December 31, 2024 &
- 6. Notes to the Consolidated and Separated Financial Statements for the year ended December 31, 2024.

2.04 Use of estimate & judgments

The preparation of Financial Statements inconformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses. It also requires disclosures of contingent assets and liabilities at the date of the Financial Statements.

Provisions and accrued expenses are recognized in the Financial Statements in line with the International Accounting Standard (IAS) No. 37 'Provisions, Contingent Liabilities and Contingent Assets' when:

- a) the company has a present obligation, legal or constructive result of a past event,
- b) it is probable that an outflow of resources embodying economic benefits will be required to settle that obligation; and
- c) a reliable estimate can be made of the amount of the obligation.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which from the basis of making the judgments about carrying values of assets and liabilities which are not readily apparent from other sources. Actual results may differ from these estimates. However, the estimates and underlying assumptions are reviewed on an ongoing basis and the revision is recognized in the period in which the estimates are revised.

2.05 Statement of cash flows

The statement of cash flows has been prepared using the Direct Method as mentioned in line with International Accounting Standard 7'Statement of cash flows'.

2.06 Consistency

In accordance with the IFRS framework for the presentation of Financial Statements together with International Accounting Standard 1 'Presentation of Financial Statements 'and International Accounting Standard 8 'Accounting Policies, Changes in Accounting Estimates and Errors', IIDFC applies the accounting disclosure principles consistently from one period to the next.

2.07 Reporting period

These Financial Statements cover one calendar year from 01 January to 31 December 2024.

2.08 Presentation currencies

The figures of the financial statements are presented in Bangladeshi Currency (BDT) and have been rounded off to the nearest integer.

2.09 Books of accounts of branch (including Corporate Branch)

The Company has 4 (four) branches including head office (principal branch) so far as on 31 December 2023. Books of Accounts of the branches are maintained at the Head Office of the Company.

2.10 Assets and basis of their valuation

2.10.01 Cash and cash equivalents

Cash and cash equivalents include notes and coins on hand, unrestricted balances held with Bangladesh Bank highly liquid financial assets.

2.10.02 Investment in securities

Investment in marketable ordinary shares as well as investment in non-marketable shares have been shown at cost. Adequate provision for diminution in value of shares has been made as per Bangladesh Bank guidelines. Market value of securities has been determined on the basis of the value of securities at the last trading day of the period (last trading day for the year was 31 December 2024).

2.10.03 Loans, advances and provisions

Loans and advances are stated at gross amount. General provisions on unclassified loans and Off-Balance Sheet Items, specific provisions for classified loans and interest suspense account thereon are shown under other liabilities. Provision is made on the basis of quarter end against classified loans and advances review by the management and instruction contained in FID Circular no. 08 dated 3 August 2002, FID circular no. 03 and dated 03 May 2006.

a) Interest on loans and advances

Interest is calculated on a daily product basis but charged and accounted for on accrual basis. Interest is calculated on unclassified loans and advances and recognized as income during the year. Interest on classified loans and advances is kept in suspense account as per Bangladesh Bank instructions and such interest is not accounted for as income until realized from borrowers. Interest is not charged on bad and loss loans as per guidelines of Bangladesh Bank.

b) Provision for loans and advances

Provision for loans and advances are made on quarter basis as well as year-end review by management following instructions contained in FID circular No. 08 dated 03 August 2002, FID circular No. 03, dated 03 May 2006 and FID circular No. 03, dated 29 April 2006, DFIM circular No. 04, dated 26 July 2021 and DFIM circular No. 37 dated 04 december 2024 issued by Bangladesh Bank. General Provision on unclassified loans and advances and specific provision on classified loans & advances are maintained as per circular issued by Bangladesh Bank as mentioned above at the rate of 0.25% for standard and SMA-SME, 1% for standard non-SME, 5% for SS-SME and SMA-non SME, 20% for SS-non SME and 20% for DF-SME and 50% for DF-non SME and 100% for BL.

c) Presentation of loans and advances

Loans and advances are shown at gross amount as assets while interest suspense and loan loss provision against classified advances are shown as liabilities in the statement of financial position.

d) Write off loans and advances

As per FID Circular No. 03 dated 15 March 2007 & DFIM Circular No. 02 dated 01 April 2019 loans and advances/investments should be written off. These written off however will not undermine/affect the claim amount against the borrower. Detailed memorandum records for all such written off accounts are meticulously maintained and followed up.

e) Securities against loan

Lease Assets: Assets under the lease agreement is taken as security against lease.

Term Finance: Land, building, machineries and relevant assets are tried to be taken as security.

Working capital and trading loan: Goods are taken as security in the form of pledge and hypothecation along with land and building if any, as mortgage.

House building loan: Land and building are taken as security in the form of mortgage.

Overdraft: FDRs are taken as pledge against the loans taken by clients against their Fixed Deposits.

Public sector loan: In most cases Govt. Guarantee is taken and no other security is taken for government loan and agricultural.

2.10.04 Property, plant and equipment

2.10.04.01 Owned assets

Own property, plant and equipment are stated at cost less accumulated depreciation. The cost of an asset comprises its purchase price and any directly attributable costs associated with bringing the assets to its working condition for its intended use as per International Accounting Standard 16 'Property, Plant and Equipment'.

2.10.04.02 Leased assets

Leasehold assets are accounted for as Finance Lease and capitalized at the inception of the lease at the fair value of the leased property or at the present value of the minimum lease payments, whichever is lower as per International Accounting Standard-17 & IFRS-16 'Leases'. The corresponding obligation under the lease is accounted for as Liability.

2.10.04.03 Subsequent expenditure on property, plant and equipment

Subsequent expenditure is capitalized only when it increases the future economic benefits from the assets. All other expenditures are recognized as an expense as and when they are incurred.

2.10.04.04 Depreciation on property, plant & equipment

Depreciation on fixed assets is charged consistently on straight-line method at following rates throughout the estimated useful life of the assets. On newly acquired assets depreciation is charged for the full year irrespective of date of acquisition while no depreciation is charged on the assets disposed of during the year.

SI.	Category of Fixed assets	Rate of Depreciation
1	Motor vehicles	20%
2	Furniture & fixtures	10%
3	Office equipment	18%
4	Right-of-use Assets	Lease term

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sale proceeds and the carrying amount of the concerned asset and is recognized accordingly in the Statement of Comprehensive Income (Profit and Loss Account).

2.10.04.05 Intangible assets

The Company's intangible assets include the value of computer software.

An intangible asset is recognized only when its cost can be measured reliably and it is probable that the expected future economic benefits that are attributable to it will flow to the Company

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value as at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and any accumulated impairment losses.

The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are amortized over the useful economic life. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for by changing the amortization period or method, as appropriate, and they are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is presented as a separate line item in the statement of comprehensive Income (profit and loss account).

Amortization is calculated using the straight-line method to write down the cost of intangible assets to their residual values over their estimated useful lives, like software is amortized over 5 years 6 months.

2.10.04.06 Other assets

Other assets include all other financial assets and fees and unrealized income receivable, advance for operating and capital expenditure and stocks of stationery and stamp. Details are shown in Note-9. Receivables are recognized when there is a contractual right to receive cash or another financial asset from another entity.

2.10.04.07 Non-banking assets

Non-banking assets are acquired on account of the failure of a borrower to repay the loan in time after receiving the decree from the court regarding the right and title of the mortgage property. There are no assets acquired in exchange for loan during the period of financial statements.

2.10.04.08 Right-of- use assets (IFRS-16)

IIDFC recognises a right of use asset and a lease liability from the beginning of 2020. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives

The right of use asset is depreciated using the straight line methods from the commencement date (from the beginning of 2020) to the earlier of the end of the useful life of the right of use asset or the end of the lease term. In addition, the right of use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date (from the beginning of 2020), discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, IIDFC's incremental borrowing rate. The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in IIDFC's estimate of the amount expected to be payable under a residual value guarantee, or if IIDFC changes its assessment of whether it will exercise purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right to use asset, or is recorded in profit or loss if the carrying amount of the right to use asset has been reduced to zero.

2.11 Basis for valuation of liabilities and provisions

2.11.01 Provision for tax

Provision for Current Tax is made on the basis of the profit for the period as adjusted for taxation purpose in accordance with the provision of Income Tax Act, 2023 and amendments made thereof.

b. Deferred tax

The company has adopted a policy of recognition of deferred tax in accordance with International Accounting Standard 12 'Income Taxes'. Deferred tax is provided using the liability method for all temporary timing differences between the carrying amount of assets and liabilities for financial reporting purposes and the amount used for tax purposes. The amount of deferred tax is determined at the effective income tax rate prevailing at the Balance Sheet date.

2.11.02 Employees' benefit obligation

Defined contribution plan

The Company started operating from January, 2003 an approved contributory provident fund scheme for its employees as per provident fund rules. The fund consists of subscription of all participatory employees and contribution from the company at a predetermined rate. The fund is administered by a Board of Trustees and invested separately from the Company's assets.

Defined benefit plan

The Company started operating from January, 2002 an approved gratuity scheme as per gratuity rules which is administered by a Board of Trustees and invested separately from the Company's assets.

Other benefit program for employees

The Company operates a group life insurance scheme for its permanent employees. The Company also has loan facilities at reduced rate for its permanent employees.

2.12 Write-off

Write-off describes a reduction in recognized value. It refers to recognized or the zero value of an assets. Generally it refers to an investment for which a return on the investment is now impossible or unlikely. The items potential returns is thus calculated and removed (written-off) from the balance sheet of the Company.

2.13 Capital and shareholders' equity

2.13.01 Capital management

The company has a capital management process for measuring, deploying and monitoring its available capital and assessing its adequacy. This capital management process aims to achieve four major objectives; exceed regulatory thresholds and meet long-term internal capital targets, maintain strong credit rating, manage capital levels commensurate with the risk profile of the company and provide the company's shareholder with acceptable returns.

Capital is managed in accordance with the board approved capital management planning from time to time. Senior management develops the capital strategy and oversees the capital management planning of the company. The company's finance and risk management department are key to implementing the company's capital strategy and managing capital. Capital is managed using both regulatory control measure and internal matrix.

2.13.02 Paid-up capital

Paid up share capital represents total amount of share capital that has been paid in full by the ordinary shareholder. In the event of winding-up of the company, ordinary shareholder (s) rank after all other shareholders and creditors.

2.13.03 Statutory reserve

As per the Financial Institution Regulations 1994, every Non Banking Financial Institution (NBFI) is required to transfer at least 20% of its current year's profit after tax to the statutory reserve fund until such reserve fund equals to its paid up share capital and share premium (if any). To comply the above requirement, IIDFC transferred 20% of net profit to statutory reserve before declaration of dividend.

2.13.04 Dividends on ordinary shares

Dividends on ordinary shares are recognized as a liability and deducted from equity when they are approved by the Company's shareholders. Dividends for the year that are approved after the reporting date are disclosed as an event after the reporting date.

2.14 Contingent liabilities and contingent assets

A contingent liability is -

Any possible obligation that arises from the past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or any present obligation that arises from past events but is not recognized because:

• it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

· the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognized but disclosed in the financial statements unless the possibility of an outflow of resources embodying economic benefits is reliably estimated.

Contingent assets are not recognized in the financial statements as this may result in the recognition of income which may never be realized.

2.15 Materiality, aggregation and off setting

Each material item as considered by management significant has been displayed separately in the financial statements. No amount has been set off unless the Company has legal right to set off the amounts and intends to settle on net basis. Income and expenses are presented on a net basis only when permitted by the relevant accounting standards.

The values of any asset or liability as shown in the statement of Financial Position (Balance Sheet) are not off-set by way of deduction from another liability or asset unless there exist a legal right therefore. No such incident existed during the year.

2.16 Revenue recognition

Revenue is only recognised when it meets the following five steps model framework.

- a) identify the contract (s) with a customers;
- b) identify the performance obligations in the contract;
- c) determine the transaction price;
- d) allocate the transaction price to the performance obligations in the contract,
- e) recognise revenue when (or as) the entity satisfies a performance obligation.

Interest income from loans and other sources is recognised on an accrual basis of accounting.

2.16.01 lease Income

Finance lease income is allocated over the lease term on a systematic and rational basis. This income allocation is based on a pattern reflecting a constant periodic return on net investment in the finance lease. The unearned lease income is recognised on instalment date as revenue on an accrual basis over the terms of the lease. However, lease income is not recognised if capital or interest receivable is in arrears for more than three months.

2.16.02 Income from direct finance

Direct finance operation consists of long term, short term and working capital finance, books of account for which are maintained based on the accrual method of accounting. Interest earnings from direct finance are recognized as operational revenue periodically.

Interest on real estate finance

Interest on real estate finance is recognised as revenue on an accrual basis and no interest on real estate finance is accounted for as revenue where any portion of capital or interest is in arrear for more than nine months.

Interest on term loans and short term finance

Interest on term loan and short term finance is recognised as revenue on an accrual basis and interest income on term loan is not recognised where any portion of interest is in arrear for more than three months.

2.16.03 Income from structured finance

Income from structured finance is recognized as and when received.

2.16.04 Income from treasury operations

Incomes from treasury operations are recognized on accrual basis.

2.16.05 Dividend income

Revenue is recognized when the Company's right to receive the payment is established, which is generally at the time of shareholders' approval date for payment of dividend.

2.16.06 Other operating income

Other operational income is recognized as and when received. Such income comprises of the following:

- a. Appraisal and documentation fees;
- b. Commitment fees;
- c. Supervision fees;
- d. Delinquent charge;
- e. Miscellaneous receipts;

f.Portfolio management fee

Portfolio management fees are recognised on the market value of the clients' portfolio on monthly basis and charged to client's balance on quarterly basis.

g.Issue management & Corporate advisory fee

Issue management and corporate advisory fees are recognised according to the stage of completion of services as agreed and defined in issue management and corporate advisory agreement between company and clients.

h.Brokerage commission

Brokerage commission is recognised as income when selling or buying order is signed and trade is executed.

i.Profit or loss on sale of securities and

Profit or loss arising from the sale of securities is accounted for only when the securities are sold/offloaded.

i.Fee based revenues

Fees on services rendered by the company are recognised as and when services are rendered.

2.17 Interest accrual on loans and leases

Interest income on interest bearing loans and leases are recorded at the time of proceeds received from a particular company. Accrued interest on company loan and leases is accounted for on accrual basis in the Profit and Loss Account under at the implicit rate of interest.

2.18 Earnings per share

Earnings per shares is calculated by dividing the profit or loss attributable to ordinary shares of the IIDFC by the weighted average number of ordinary shares outstanding during the year. IIDFC calculates EPS in accordance with International Accounting Standard -33 'Earnings per Share' which has been shown in the profit and loss account.

Diluted Earnings per share is not applicable for the year as there is no scope for dilution during the year 2024.

2.19 Presentation of operating segments

The segment reporting of IIDFC as per IFRS 8 has been presented in Note -40 named "Operating Segment Report" as on reporting date.

2.20 Contingent assets & liabilities

Contingent Assets:

A contingent asset is possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. Contingent assets are never recognized, rather they are disclosed in the financial statements when they arise.

Contingent Liabilities:

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or the Group has a present obligation as a result of past events but is not recognized because it is not likely that an outflow of resources will be required to settle the obligation; or the amount cannot be reliably estimated. Contingent liabilities normally comprise legal claims under arbitration or court process in respect of which a liability is not likely to occur.

2.21 Liquidity statements

As per DFIM circular No. 09 dated 20 October 2015 & DFIM circular No. 21 dated 20 December 2011 the liquidity statement has been prepared in accordance with remaining maturity grouping of Assets and Liabilities as of the close of the reporting period as per following bases:

- · Balance with other company and financial institutions are on the basis of their maturity term;
- · Investments are on the basis of their residual maturity term;
- · Loans and Advances are on the basis of their repayment /maturity schedule;
- · Property, plant and equipment are on the basis of their useful lives;
- · Other assets are on the basis of their adjustments terms;
- · Borrowings from other company and financial institutions are on the basis of their maturity/repayment schedule;
- . Deposits and other accounts are on the basis of their maturity terms and past behavioural trends &
- Other liabilities are on the basis of their settlement terms.

2.22 Events after the reporting period

Events after the reporting period requires additional disclosures or adjustments based on material information about the company. As per International Accounting Standards IAS-10: 'Events after the reporting period' the events after the reporting date are reflected in the financial statements' note no. 44.

2.23 Going concern

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The accompanying financial statements do not include any adjustments should the company be unable to continue as a going concern.

2.24 Compliance report on International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS)

In addition to compliance with local regulatory requirements, in preparing the Consolidated Financial Statements and Separate Financial Statements, IIDFC applied following IAS and IFRS:

2.25 Address of head office & branch location

Head office is located at Chamber Building (2nd, 6th & 7th floor), 122-124 Motijheel Commercial Area, Dhaka-1000, Chattogram Branch is located at C&F Tower (4th floor), Sheik Mujib Road, Agrabad Commercial Area, Chattogram and Uttara Branch is located at Plam Jemairah (3rd floor), Sonargaon Janapath, Sector-7, Uttara, Dhaka-1230. Narayanganj Branch is at Mid Town Complex (3rd floor), Bangabandhu Road, Narayanganj.

2.26 Capital adequacy and market discipline

To cope with the international best practices and to make up the capital more risks sensitive as well as more shock resilient, a road map was issued in August 2010 on implementation of Basel Accord in the FIs. Being well pursuant with the road map, prudential guidelines namely 'Capital Adequacy and Market Discipline for Financial Institutions' had been introduced by Bangladesh Bank from December, 2011. The guidelines came into force from 1 January, 2012 with necessary supplements/revisions. Instructions in respect of Minimum Capital Requirement, Adequate Capital and Disclosures requirement as stated in the guidelines have been followed for the purpose of statutory compliance.

As per prudential guideline IIDFC calculated Minimum Capital Requirement (MCR) by dividing the total capital by the sum of risk weighted assets against credit risk, market risk, and operational risk under pillar-I.

Pillar - I: Minimum capital requirement

Credit Risk

The calculation of capital requirement against credit risk is more elaborate and risk sensitive. The Accord gives a choice of some sophisticated approaches to address risks, and adoption of a Particular approach depends on the risk measurement capabilities and robustness of the systems in place in a Financial Institution. A Standardized Approach has been the preliminary choice of FIs for the credit risk calculation.

Market risk

Market risk is defined as the risk of losses in on and off-balance-sheet positions arising from movements in market prices. The risks subject to this requirement are:

- · The risks pertaining to interest rate related instruments and equities in the trading book;
- · Foreign exchange risk and commodities risk throughout the FI.

The capital charges for interest rate related instruments and equities applied to the current trading book items prudently valued by IIDFC. The capital charges for foreign exchange risk and for commodities risk applied to IIDFC's total currency and commodity positions, subject to some discretion to exclude structural foreign exchange positions.

Operational risk

The accord introduces for the first time a capital charge for operational risk. The framework presents three methods for calculating operational risk capital charges in a continuum of increasing complexity and risk sensitivity. These methods are the Basic Indicator approach (a fixed percentage of gross income amount), Standardized approach (sum of a certain percentage of FI's income in each business line) and Internal Measurement approach (Statistical measure of FIs operational loss based on its historical loss data). But initially, Basic Indicator Approach has been applied for calculating the capital charge against operational risk.

2.27 Stress testing

Stress Testing is an important risk management tool that is used by the Financial Institutions as part of internal risk management and through the Basel II capital adequacy framework, is promoted by Bangladesh Bank. Stress Testing alerts Financial Institutions management to adverse unexpected outcomes related to a variety of risks and provides an Indication of how much capital might be needed to absorb losses should large shock occur. Stress Testing supplements other risk management approaches and measures playing particularly important role in:

- Providing forward-looking assessment of risk;
- Overcoming limitations of models and historical data;
- Supporting external and internal communication;
- Feeding into capital and liquidity planning procedures;
- Informing the setting of an FI's risk tolerance; and
- Facilitating the development of risk mitigation or contingency plans across a range of stressed conditions.

Stress Testing guideline have been issued by Bangladesh Bank to provide a structured way of assessing the vulnerability of financial institutions to extreme but plausible market conditions. The guidelines enable institutions to accurately assess risk and define the "risk appetite" of the organization and also provide critical information to senior management for decision around capital allocation and contingency planning.

IIDFC exercise stress testing on its portfolio on quarterly basis and submit its stress testing report as per format prescribed by Bangladesh Bank on regular basis.

2.28 Financial risk management

IIDFC always concentrates on delivering high value to its stakeholders through appropriate trade-off between risk and return. A well structured and proactive risk management system is in place within the Company to address risks relating to credit, market, liquidity, operations and money laundering and terrorist financing. In addition to the industry best practices for assessing, identifying and measuring risks, IIDFC also considers guidelines for managing core risks of financial instructions issued by the Country's Central Bank, Bangladesh Bank, vide FID Circular No. 10 dated 18 September 2005 for management of risks and, more recently, DFIM Circular No. 03 dated 24 January 2016.

Credit Risk

To encounter and mitigate credit risk the company employed multilayer approval process, policy for maximum exposure limit of sector or groups, policy for customers' assets maximum exposure limit, mandatory search for credit report from Credit Information Bureau, looking into payment performance of customer before financing, annual review of clients, adequate insurance coverage for funded assets, vigorous monitoring and follow up by Special Assets Management Team, strong follow up of compliance of credit policies by Internal Control and Compliance Department (ICCD), taking collateral, seeking external legal opinion, maintaining neutrality in politics and following arm's length approach in related party transactions, regular review of market situation and industry exposure etc.

The Credit Appraisal Committee (CAC) regularly meets to review the market and credit risk related to lending and recommend and implement appropriate measures to counter associated risks. The CAC critically reviews projects from risk point of view. An independent Credit Risk Management Department is in place, at IPDC, to scrutinize projects from a risk-weighted point of view and assist the management in creating a high quality credit portfolio and maximize returns from risk assets.

Market Risk

The Asset Liability Committee (ALCO) of the Company regularly meets to assess the changes in interest rate, market conditions, carry out asset liability maturity gap analysis, re-pricing of products and thereby takes effective measures to monitor and control interest rate risk. IIDFC has also strong access to money market and credit lines at a competitive rate through good reputation, strong earnings, financial strength and credit rating.

Liquidity Risk

Liquidity requirements are managed on a day-to-day basis by the Treasury Division which is responsible for ensuring that sufficient funds are available to meet short term obligations, even in a crisis scenario, and for maintaining a diversity of funding sources. Treasury Division maintains liquidity based on historical requirements, anticipated funding requirements from operation, current liquidity position, collections from financing, available sources of funds and risks and returns.

Operational Risk

Appropriate internal control measures are in place, at IIDFC, to address operational risks. IIDFC has also established an Operational Risk Management (ORM) to address operational risk and to frame and implement policies to encounter such risks. This department assesses operational risk across the Company as a whole and ensures that an appropriate framework exists to identify, assess and mange operational risk. The function of the ORM department is to exercise constant vigilance against erosion of Shareholders' value by identifying, assessing, measuring and managing operational risk resulting from inadequate or failed internal processes, people and systems or from external events.

Money Laundering and Terrorist Financing Risk

In IIDFC, money laundering and terrorist financing risk takes two broad dimensions:

(a). Business risk which is the risk that IIDFC may be used for money laundering or for the financing of terrorism and

(b). Regulatory risk which is the risk that IIDFC fails to meet regulatory obligations under the Money Laundering Prevention Act, 2012 (subsequently amended in 2015) and the Anti-Terrorism Act, 2009 (subsequently amended in 2012 and 2013).

To mitigate the risks, IIDFC, while adhering to various guidelines and circulars issued by the Bangladesh Financial Intelligence Unit (BFIU), has in place a strict compliance program consisting of the following components:

(a). Internal policies, procedures and controls, which are continually updated as and when required, to identify and report instances of money laundering and terrorism financing;

Dhaka

- (b). A dedicated structure and sub-structure within the organisation, headed by a Central Compliance Unit (CCU), for proactively managing AML and CFT compliance;
- (c). Appointment of an AML/CFT Compliance Officer, known as the Chief Anti Money Laundering Officer (CAMLCO), to lead the CCU:
- (d). Independent audit functions, including internal and external audit, to test the programs;
- (e). Ongoing employee training programs.

Additional risks required to be addressed under regulatory requirements

DFIM Circular No.03 of 2016, introduced the Integrated Risk Management Guidelines for Financial Institutions ("the guidelines"). These guidelines supplement, and do not replace, existing risk management guidelines.

The Integrated Risk Management Guidelines for Financial Institutions specify a number of additional risks that financial institutions are now required to manage in a more structured manner. Key among these are:

Strategic Risk

Strategic risk has been defined as the risk of possible losses that might arise from adverse business decisions, substandard execution and failure to respond properly to changes in the business environment. The guidelines set out the respective roles of the board of the directors, senior management and business units in managing strategic risks, identify the minimum steps to be followed in the strategic risk management process and also suggest measures for strategic risk control.

IIDFC has been managing strategic risks ever since its inception. This is evident from the constantly evolving business model of the company over the years. The company has a clear strategic vision as to what it wants to be and a mission statement that states what it will do to achieve its vision. Strategic issues are discussed at a variety of forums including meetings of the Management Committee and of the IIDFC Board. Over the past few years, a separate Strategic Planning department has been set up to assist senior management in this regard. The culmination of all these efforts are reflected in annual Strategy and Budget sessions, where the company sets outs its plans for the next year. With the introduction of the new guidelines, more changes will be made to the strategic risk management process as and when required.

Compliance Risk

Compliance risk is defined as the current or prospective risk of legal sanction and/or material financial loss that an organisation may suffer as a result of its failure to comply with laws, its own regulations, code of conduct, and standards of best practice as well as from the possibility of incorrect interpretation of laws or regulations. The guidelines set out the respective roles of the board, senior management and compliance function units in managing compliance risks and also require formulation of a written compliance risk management policy.

Historically, IIDFC has always fostered a compliance oriented culture. This has been reinforced in a variety of ways, ranging from formal requirements to sign declarations of compliance with the IIDFC code of conduct (which requires compliance with the law & regulations) to repeated communications from senior management stressing the need to do business in a compliant manner. In general, compliance risk management is embedded in the day to day to business processes and practices of the company. Concerned departments are kept informed of latest legal and regulatory requirements by the ICC and Corporate Affairs departments. A consideration of compliance (or any potential non-compliance) with laws and regulations is a standard part of the company's regular decision making processes. Wherever deemed necessary, appropriate legal advice is sought from qualified internal and/or external legal counsel.

Reputation Risk

Reputation risk may be defined as the risk of loss arising from damages to an organization's reputation. The guidelines set out the respective roles of the Board and senior management in managing reputation risk and also require financial institutions to implement a sound and comprehensive risk management process to identify, monitor, control and report all reputational risks.

IIDFC has already established a set of non-financial reputational risk indicators and put in place a process for monitoring these and any other matters that might give rise to potential reputational risk issues. Till date, no material reputational risk issue involving the company has been identified.

Environmental & Social Risk

As the best financial brand in promoting sustainable business practices, IIDFC have adopted Environmental & Social Risk Management System as one of its integral parts of Credit Risk Assessment to compute environmental & social risks from our financial footprints. IIDFC is one of the front runners to add "Environmental & Social Management System (ESMS)" within its framework, a global standard to minimize environmental & social risks from the organizational activities.

	Total		54,564,137	74,189,515	

3.01 Cash in hand

Cash in hand represents the amount under "imprest system of petty cash" to meet petty expenses both for head office as well as branch offices.

3.2 Balance with Bangladesh Bank

Balance with Bangladesh Bank is a non-interest bearing account maintained with Central Bank to meet the Cash Reserve Requirement (CRR). CRR (note 3.3) and Statutory Liquidity Reserve (note 3.4) have been calculated and maintained in accordance with The Financial Regulations 1994 and FID Circular No. 06 dated 6th November, 2003 and FID Circular No. 02 dated 10th November, 2004.

3.3 Cash Reserve Requirement (CRR)

Cash Reserve Requirement and Statutory Liquidity Reserve have been calculated and maintained in accordance with Finance Compay Act, 2023 & Financial Institutions Regulations, 1994, FID Circular No. 06, dated 06 November 2003, FID Circular No. 02 dated 10 November 2004, DFIM Circular Letter No. 01, dated 12 January 2017 and DFIM Circular Letter No. 03, dated 21 June 2020.

CRR has been calculated at the rate of 1.50% on Total Term Deposits which is preserved in current account maintained with Bangladesh Bank in compliance with FID Circular No. 02 dated 10th November, 2004 and DFIM Circular Letter No. 03, dated 21 June 2020. Total Term Deposits means Term or Fixed Deposits, Security Deposit against Lease/Loan and other Term Deposits received from individuals and institutions (except Banks and Financial Institutions).

IIDFC received deferral facilities from Bangladesh Bank for the five-year period from 2020 to 2024 under the approval reference No. DFIM(C)1054/41/2021-2576 dated 16 November 2021. Because of the classified accounts in earlier years, the following adjustments have been made for provisioning in 2024.

Interest of BDT 648.91 million recognized as income in earlier years is required to transfer to interest suspense account by adjusting with retained earnings in 2024. Accordingly, this amount has been adjusted with retained earnings as a prior year adjustment and restated in 2023 as well.

Additionally, an amount of BDT 224.92 million had been recognized as income in previous years, which was waived BDT 112.99 million in 2024 and BDT 111.93 million in 2023. This waived interest has also been adjusted with retained earnings during the current year. Same adjustment has been made for the last year (2023) to present it fairly for comparison.

Notes 31 December 2024 31 December 2023

Salaries and allowances of IIDFC PLC include annual contribution to Provident Fund and Gratuity Fund. This Provident Fund and Gratuity Fund is also applicable for IIDFC group also.

IIDFC PLC operates a funded gratuity scheme (which is a defined benefit scheme as specified in IAS 19). Gratuity fund is administered by a Board of Trustees and Company contributions are invested separately from company assets. Employees are entitled to gratuity benefit after completion of a minimum years of service with the Company. The Company is contributing to the fund as per yearly requirement based on present employees status and payment requirement.

The Statutory Auditor recommends writing off these amounts from the Accounts Receivable to present a more accurate and fair view of the financial position of the company. The write-off is deemed necessary to comply with accounting standards and ensure the integrity of our financial statements. Considering the recommendation of the statutory auditor and recovery prospect, the management placed before the 55th board the proposal for kind approval to write off of BDT 6,299,173 Accounts Receivable as stated above. The Board considered and approved the proposal regarding write off BDT 6,299,173 under Account Receivable as per recommendation of Statutory Auditor.

Earnings Per Share as shown in the face of the Profit and Loss Account is calculated in accordance with International Accounting Standard (IAS) 33: "Earnings Per Share".

Basic Earnings Per Share has been calculated as follows:	
Earnings attributable to ordinary shareholders (Net Profit after Tax)	(1,587,686,145)
Number of ordinary shares outstanding during the year	173,777,068
Basic earnings per share (in BDT)	(9.14)

No diluted earnings per share is required to be calculated for the period, as there was no convertible securities for dilution during the period.

IIDFC received deferral facilities of provisioning from Bangladesh Bank for the five-year period from 2020 to 2024 under the approval reference No. DFIM(C)1054/41/2021-2576 dated 16 November 2021. Because of the classified accounts in earlier years, the interest suspense of 2023 has been restated as follows:

Previously current year interest income was adjusted with interest suspense instead of adjusting with retained earnings. Accordingly, the interest suspense has been adjusted with interest income as a prior year adjustment to present it fairly for comparison.

39.a Consolidated Earnings per share (EPS)

Earnings Per Share as shown in the face of the Profit and Loss Account is calculated in accordance with International Accounting Standard (IAS) 33: "Earnings Per Share".

Dhaka

Basic earnings per share has been calculated as follows:

Earnings attributable to ordinary shareholders (Net Profit after Tax)

Number of ordinary shares outstanding during the year	
Basic earnings per share (in BDT)	

(1,588,354,304)	(1,253,449,889)
173,777,068	173,777,068
(9.14)	(7.21)

(1,221,327,217) 173,777,068 (7.03)

No diluted earnings per share is required to be calculated for the period, as there was no convertible securities for dilution during the period.

40.00 Related party transactions

Parties are considered to be related, if one party has the ability to control the other party or exercise significant influence over the other party, in making financial and operational decisions and include associated companies with or without common directors and key management positions. The Company has entered into transactions with other entities in the normal course of business that fall within the definition of related party as per International Accounting Standards- 24 'Related Party Disclosure'. Transactions with related parties are executed on the same terms, including interest rate and collateral, as those prevailing at the time of comparable transactions with other customers of similar credentials and do not involve more than normal risk.
